

2025 Wildwood Swim Team Sponsorship Commitment

The Wildwood Swim Team has been in existence since the 1970's providing structure, a sense of family, and commitment for youth ages 5-18. Participants develop skills needed both in and out of the pool. Our goal is to provide a safe, caring environment for youth in the greater Lynchburg area during the summer months. Daily practices and weekly swim meets run the duration of the summer. We depend on sponsors to help provide quality coaching, equipment, and the offsetting of swimmer fees to fund the program. For the 2025 season, we are seeking sponsorships to help fund an enjoyable experience for all swimmers.

How You Can Help

A sponsorship of **\$150** will offer you personally, or any company an opportunity to support swimmers individually and the Wildwood Swim Team as a whole. By becoming a sponsor, you have the opportunity to display your name/logo hyperlink on our website, on our team shirt, and have it announced at all of our home swim meets.

Please complete the following Sponsorship Form and return with payment to:

Wildwood Swim Team Inc.
